FOOTSTEPS THROUGH TIME

A path of footsteps leading to my door;
an infants tiny feet, the origin in point of time,
soon they develop into the lively trail of a child's motivation.

As I continue walking, the footsteps enter adolescence;
a time of combined confusion and excitement,
decisions being made, challenges being met.

The doorway nears as the footsteps progress to adulthood;
developments, once slowly evolving,
are now set and stable.

I peer through the encircled frame and see the path continuing.
Life is a path of footsteps entering opened doorways!

CLASS SONG

Sweet Time

FAMILY: The two girls on the left are visiting students from the Oregon University Symphonic Band. To the left of Tom is his father who is a draftsman, his mother and his sister who is a 7th grader.

FRIENDS: Whenever they go to school the Japanese students must wear the black school uniform. This picture was taken on a school excursion to the historical city of Kurashiki.

FOREIGN EXCHANGE STUDENT

Hi! Through my staying in Pierz, I learned many things which are totally different from Japanese style. I was staying with Mr. & Mrs. Michael Meyer, very cheerful family. I know some teachers are really nice to me, but the others aren't. Though I wasn't good at Cross Country, I'm proud that I was there with delightful company. What I was glad most is that even eighth grade students said, "Hi" to me whenever I met them. I'd like to visit here sometime in the future so that I may maintain my great memories. I hope you don't forget me!

Your friend always,
Tom

This is a picture of Tom's Junior Class in high school. Each of the classes consist of 45 students and a home-room teacher. The picture was taken in Hiroshima at the World War II Memorial.

In Japan, all of the students have their own desk for study. Here Tom spends time working at his desk. Notice the picture of U.S. film star Tatum O'Neil.

Like most teenagers Tom likes music, as this picture of his room back home clearly shows.

The Pioneers were defeated on Homecoming night by the eventual GRC champion Onamia Warriors 34-14. The strong Onamia team scored on runs for 55 and 35 yards, and a 60 yard play in the first half. The Pioneers did engineer an excellent scoring drive in the first half. Led by the passing of Dan Preimesberger and the running of Todd Stangl the Pioneers scored on a two yard run by Steve Kahl who also scored the points after touchdown. An Onamia attempt to score just before the half was thwarted by a Steve Kahl pass interception in the end zone.

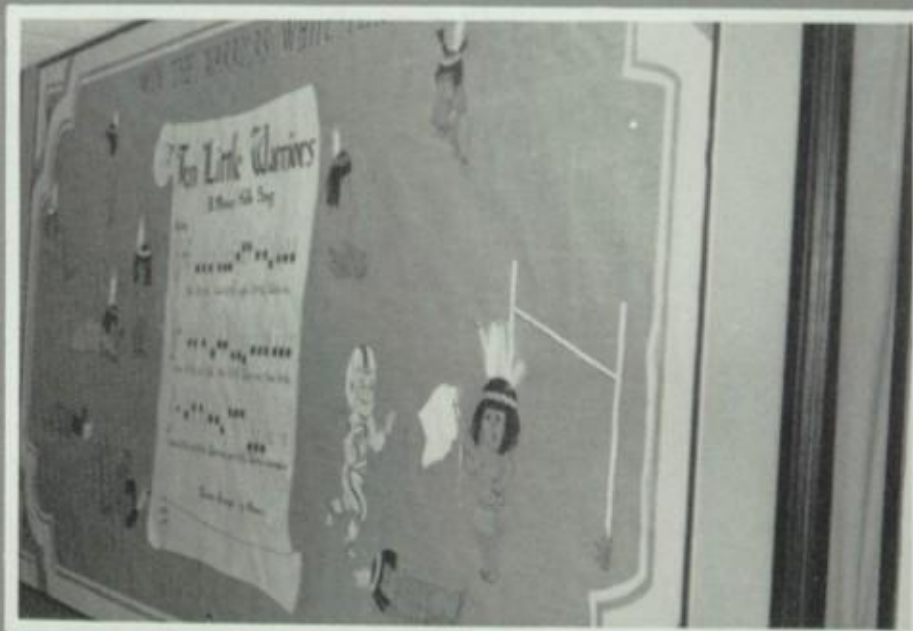

The Pioneers played much better in the second half and scored on a 47 yard touchdown pass from Preimesberger to Steve Kuefler. The teams second half improvement was indicative of their late season turn around which allowed them to win three of their last four games to capture third place in the conference.

Once again the Student Council had a very successful year. Homecoming was a success with the hard work culminating in the coronation of Allen Millner and Nancy Kapsner as King and Queen. Also, the juniors won the traveling trophy.

Another project of the Student Council was their annual Christmas program.

Thanks are in hand for our President Shirley Lanners and our advisor Mr. Hinkemeyer, whose hours of hard work made this year the success it was.

Healy High School was well represented in the athletic field this year by our letter winners. The Letter Club was led by their President, Gwen Athman and their Advisor Mr. Zimney.

Their projects included a hat and mitten sale, and hopes for a school dance. This year's Letter Club was a success in maintaining this school's high reputation in their athletic department.

The 1982-83 chapter of DECA at Healy High School had 12 students. The students, with help from their advisor Mr. Delaney, learned skills in sales and marketing through job and classroom experience.

This years class is busy preparing their manuals in hopes of attending the National Convention in New Orleans. They also hope to continue DECA's great success at Nationals and in their community.

"NUMBER ONE CANDY SELLER"

Candy sales, meetings, tests, conferences, and contests. These are just a few of the things that made up the year for this year's chapter of OEA. The chapter, led by President Mary Lou Menden and Advisor Ms. Shirley Norberg, began the year with their annual candy sale. Also, during the year, they attended special conferences and sponsored a roller skating party. The year's big event is contests, which were held at St. Cloud AVTI. Members are preparing for contests with hopes of making it to the Nationals in Chicago.

The FFA chapter at Healy High School had a very active and successful 1982-83 school year. This year they sponsored their annual corn drive, which they donated to Camp Courage. Fund raising plans included a popcorn sale in fall and a seed sale in January. FFA also sponsored rollerskating and tubing trips. A major event in the year for members is the preparation for and the competition at contests.

In December, Lisa Vernig was elected FFA Sweetheart. President Ben Isder and Advisor Mr. Vancinek worked very hard in making this year such a success.

MARCHING BAND

Band Means Busy. This year's band department proved that. Their first event was the annual Homecoming halftime show. Next preparation began for their annual Christmas concert. Other concerts planned for the year were a winter and spring concert, and a spring tour. This year the Jazz Band performed at the Oaks Supper Club. Also, this year Pierz was the host for the District Solo and Ensemble Contests. Rounding off the Band's year was the Pep Band which performed at 15 events.

CHORUS

The senior high choir had a very active year. The year began with their performance at Homecoming. Christmas was very busy with the chorus touring the grade schools, recording a concert for WYRQ, and their home concert on December 20th.

Other activities planned for the year included an all-district choir festival, an exchange concert with Royalton, and the production of the musical OKLAHOMA.

Important members of this year's chorus are secretary, Susie Meyer, student director, Kelly Marshik, and accompanists, Beth Banick, Tracey Hartmann, and Tom Stangl.

YEARBOOK

You Took the Time

You took the time to stop and chat
As you passed by today,
To jest a bit in pure delight
Before you went your way.

You took the time to lend a hand
When I was faced with care,
To give the strength of fellowship,
To comfort and to share.

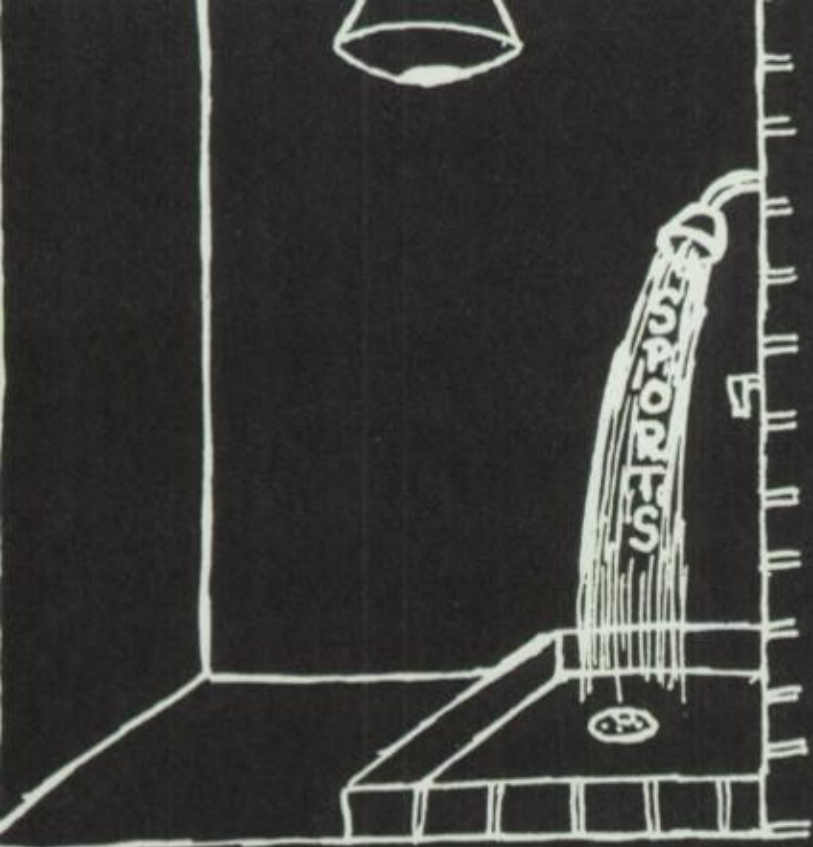

You took the time to send a note
On every special day:
A birthday card, a valentine,
A wish for Christmas Day.

You took the time for words of praise
That warmed me through and through.
You took the time to be a friend,
So patient, kind, and true.

This, our Senior year, has gone by so fast,
but it's been very memorable. Being Editors
for this yearbook has been a different, but
challenging experience. The usual Special
Thanks to Mr. Zimney and the staff. And, as
always, the best of luck to next year's staff.

NETTERS HAVE WINNING YEAR

The Netters finished with another fine season with a 5-1 conference record and 9-7 overall. In the GRC tournament Pierz beat Onamia in the first round, but then lost to a strong Taylors Falls team. In Districts, the Pioneers lost by 2 points to Braham in the first round.

Gwen Athman and Maria Schommer were named All-Conf. and Denise Flicker received Honorable-mention honors.

GIRLS CC 10TH IN-STATE

For the second time in three years the girls Cross Country team qualified for the state meet. After finishing second in the GRC to Hinckley and in the District to C-I, the Pioneers came through with a great team effort and placed second in the Region to a strong Becker team. At State the girls had one of their better races of the season and finished tenth.

Individually the Pioneers were again led by Junior Becky Girtz, who won six meets during the year, including the District. She also was third in the Regional and won All-State honors for the second year in a row by placing thirteenth at State.

The boys team also had a good season being competitive in all their meets. They were third in the GRC, second in the District and fifth in the Region. Seniors Paul Perleberg and Matt Gold and All-Conference runner Jim Faust led the boys.

GRIDDERS FINISH STRONG

For the first time in several years, the Pioneers found themselves in a rebuilding year with only three seniors on the team.

After the first five games the Pioneers found themselves with an 0 and 5 record. But to the credit of the team they then went on to win three of their next four games; beating Rush City 14-12, Olgilvie 14-8 and Hinckley 34-8. The offense came together toward the end of the year and rolled up nearly 500 yards against Hinckley.

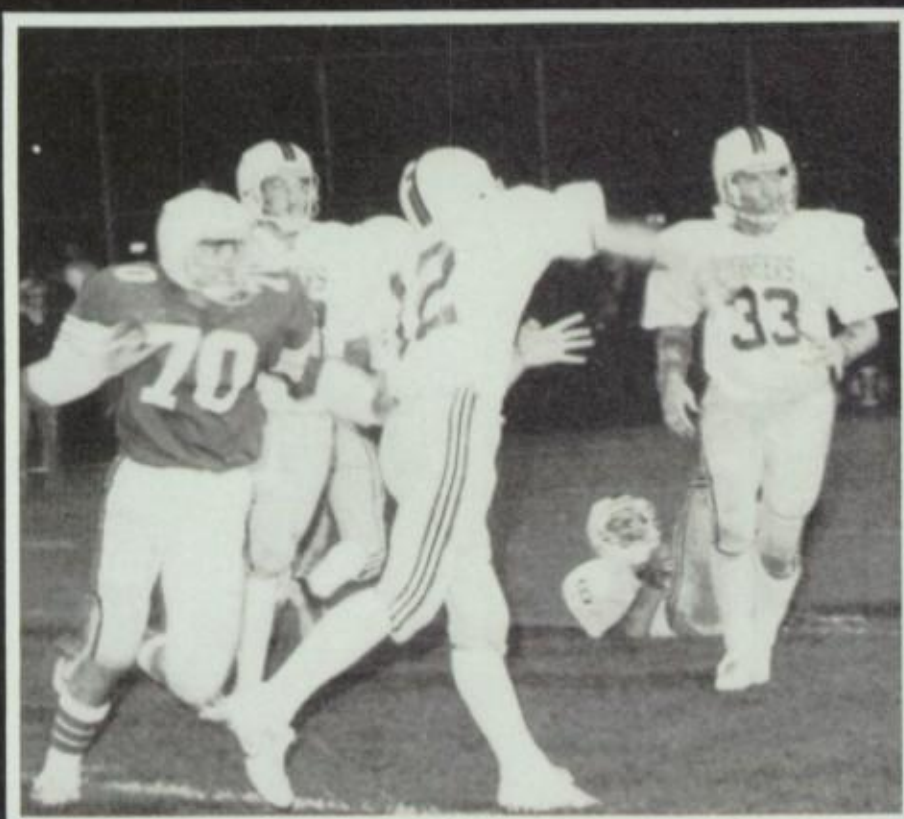

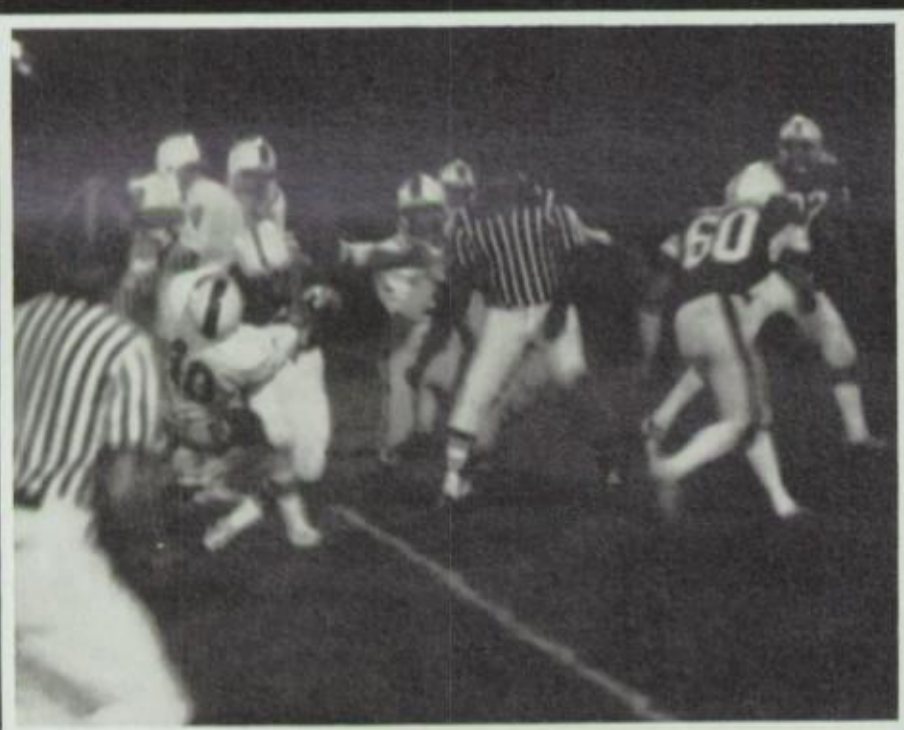

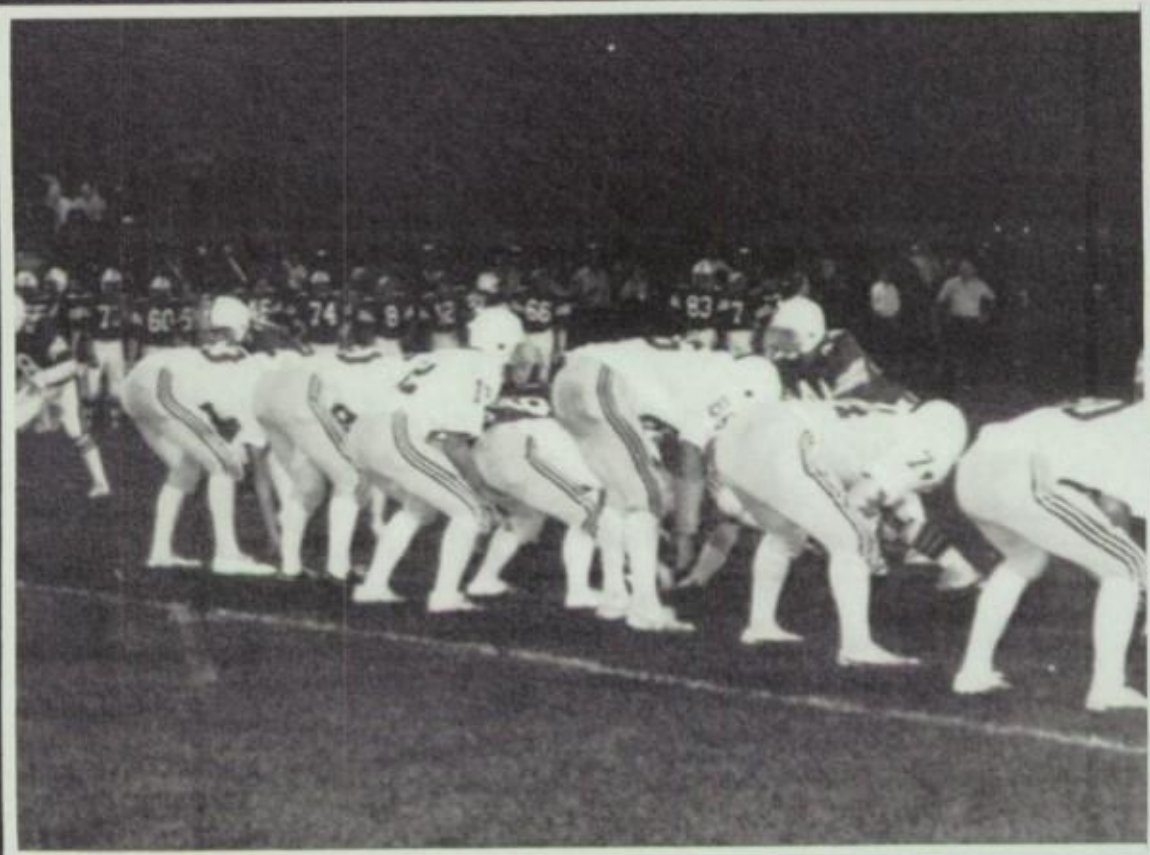

Fullback Todd Stangl became the first Pioneer to win a conference rushing title with 785 yards. All conference members were Co-captain Alan Millner, Todd Stangl and Ron Lanners. Co-captain Steve Kahl and Chuck Keller received Honorable mention.

YOUNG HOOPSTERS LOOK TO FUTURE

With only 3 lettermen and 3 seniors on the team the boys basketball team started the season very green. Coach Zimney tried many different combinations, partly due to injuries and partly because of inconsistent play.

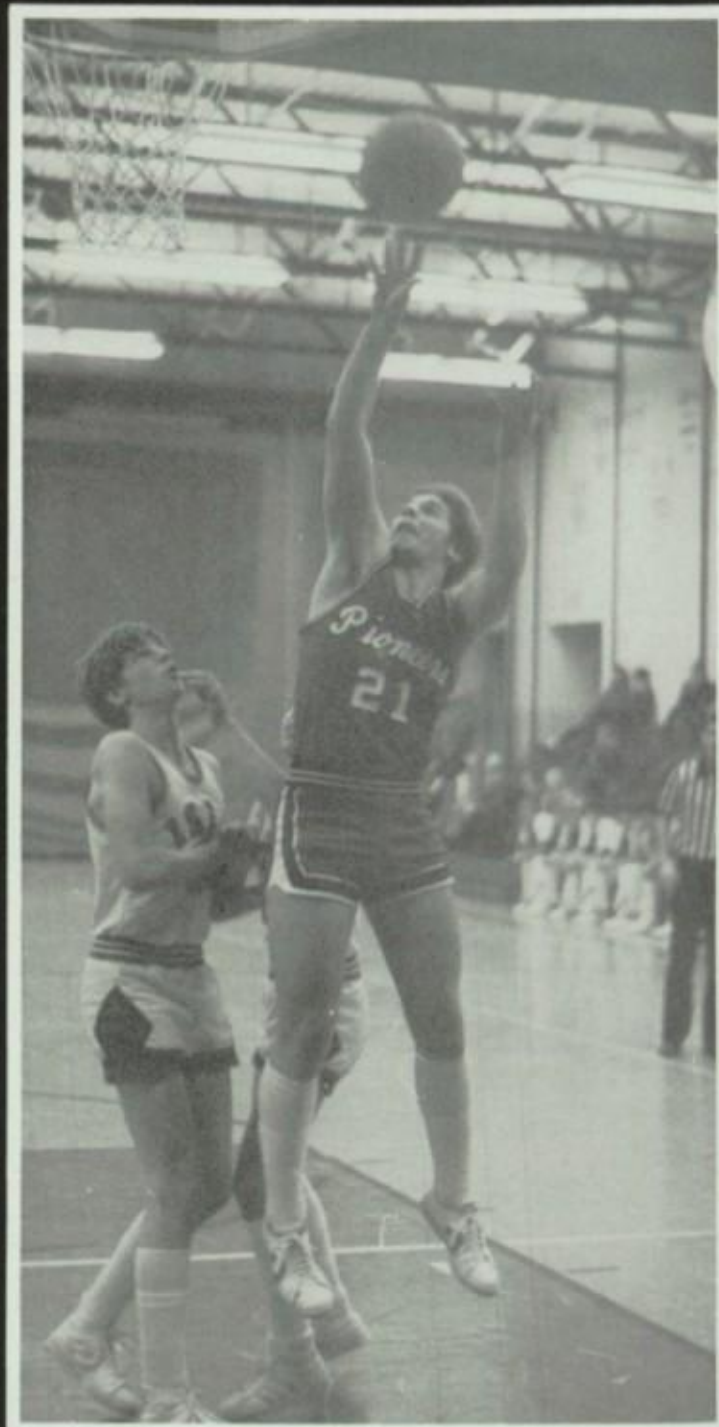

An aggressive defense and deliberate offense characterized this years team. A floor leader, better team rebounding and an improved inside game will be stressed for next years team. With seven juniors seeing alot of playing time — all of them started at one time or another during the year — the future looks very bright.

Juniors Tom Kummet & Dan Preimesberger led the team in scoring, with Kummet & Dan Oldakowski the leading rebounders. The Pioneers were 6-10 with 2 regular season games and the District tournament still to go.

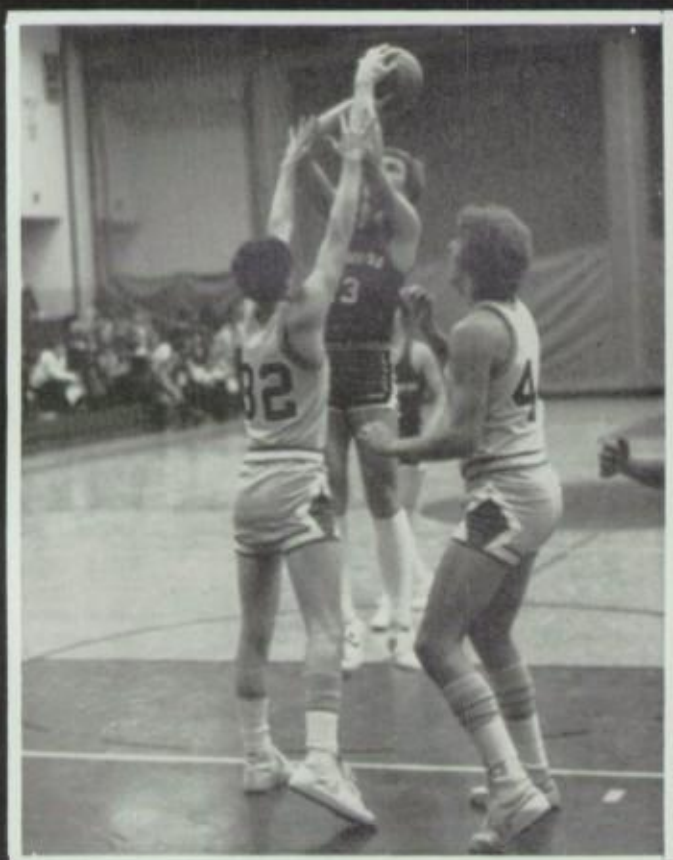

The B Squad was 7-5 so far and also should have a good future.

G.R.C. CHAMPS HEAD TO TOURNAMENTS

A Squad

1st Row: Student Mgrs. K. Kahlhammer, and R. Opp. 2nd Row: T. Meyer, G. Athman, L. Carver, M. Schomer, L. Lanners, K. Happke, 3rd Row: Head Coach S. Dooley, K. Happke, D. Flicker, R. Girtz, C. Geiger, M. Meyer, Ass't Coach R. Sczublewski.

As of the writing of this article, the 1982-83 GBB team has finished the regular season with a 16-2 record and a perfect 10-0 conference record. This is the 4th conference title in the last 6 years, and for the 5th time in 6 years the girls were awarded the #1 seed for the District Tourney.

This years team has displayed the best balance of any Pioneer team to date. Three girls have averaged in double figures for the year (Karen Happke 13.6, Maria Schomer 12.9 and Gwen Athman 12.3). A total of seven girls have scored in double digits during the year. Rebounding also shows the team balance of the squad. Schomer averaged 11 while Athman and Kelly Happke averaged 9 and 6 respectively. Furthermore this team will shatter all existing assists records led by Kelly's 59.

A team is not complete without its unsung heros. Our team has many: Terry Meyer has made the best of senior year with fine defense and excellent ball handling. Denise Flicker has performed well as both a starter and as the first girl off the bench; and Christy Geiger shows tremendous passing and ball skills whenever called on. Also players like Leslie Carver, Roberta Girtz, Lois Lanners, Mary Meyer and Patty Boser push our starters everyday to their maximum potential.

This has been a truly dedicated group of athletes who perform as a close knit unit. They deserve all the success that comes their way.

With only four regulars back from the previous season the Pioneer Wrestling team had a lot of question marks. But as the season progressed a fine group of under classmen filled in to help lead the Pioneers to fine 10-5 dual meet record. Pioneers also took first at Ogilvie and second in GRC to a tough Royalton Team.

Returning Dist. champ Ken Meyer 20-1 and Dave Andres 19-2 will lead the team into Districts. Some of this years individual accomplishments are as follows: D. Andres, 1st GRC, 1st Ogilvie, P. Herold, 1st at Ogilvie, D. Meyer, 3rd GRC, J. Postor, 4th at Ogilvie, 4th GRC, J. Fuhrman, 4th at Ogilvie, 3rd GRC, K. Meyer, 1st at Ogilvie, 1st GRC, B. Millner, 4th at Ogilvie, 4th GRC, A. GO FOR IT!!

Both the Boys and Girls Track Teams will be made up primarily of underclassmen. The Girls will be out to defend their GRC title while the Boys will be trying to get the program to where it once was.

Twelve Letterwinners return for the girls, led by Region Champions Gwen Athman (high jump) and Elaine Langer (sprints). Roberta Girtz & Karen Happke give the Pioneers two excellent hurdlers, with Becky Girtz and Joan Welle in the distance races.

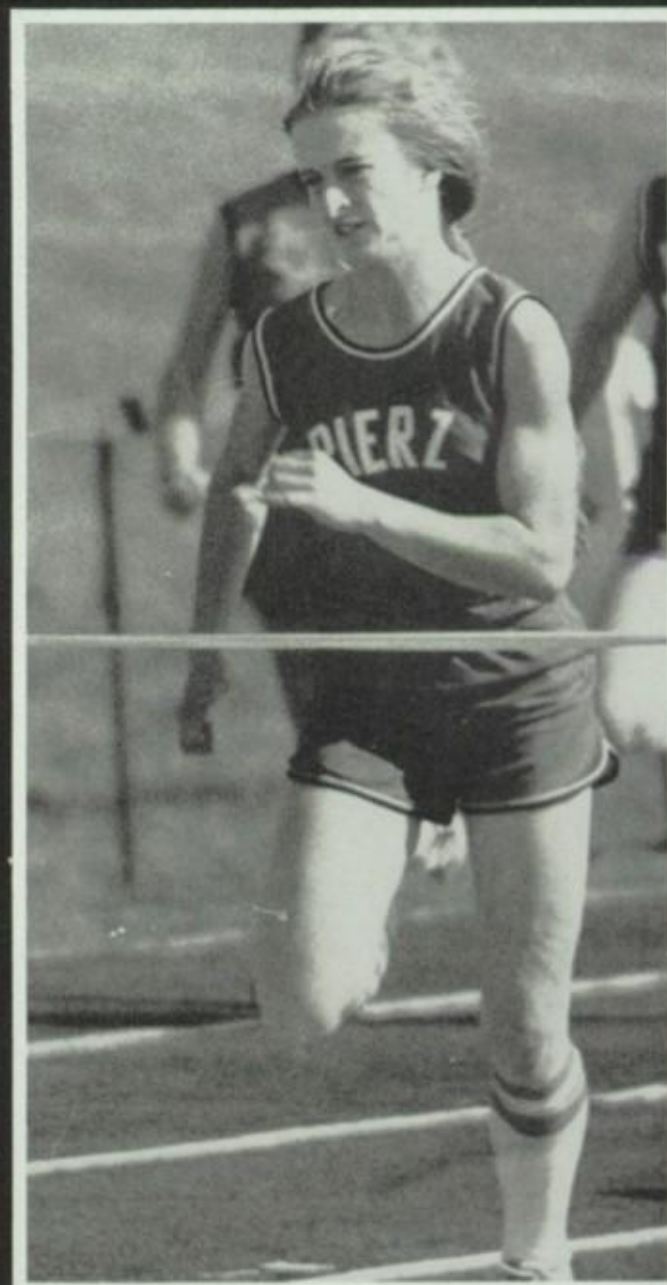

Although very young, the Boys will have a lot of talent and potential. Senior Rich Pomrenke, defending GRC Champ in both hurdle events, will lead the way.

GRC CHAMPS

The Baseball Team finished the season last year with another GRC title. Pierz beat Rush City (6-5) in the championship game, to finish the GRC with a 6-0 record.

The Team finished with a 10-5 overall record. Their final loss came at the hands of Foley in the District Playoffs. Pierz had four Seniors named to the All-Conference.

This year's team will have two Seniors and three Juniors as returning Letterman. They will be again in the contention for the GRC and District title.

After a years experience, the young Pioneers Golf Team looks forward to the challenge of competing for, and hopefully winning, the GRC Championship. If the team plays up to its full potential they could be strong contenders for the title. The Girls team, new to competition last year, look to improve their skills.

After graduating 8 senior letter-winners you could say that the 1983 Softball team could be facing a rebuilding year. But second-year coach Kem Timlin has six letter-winners back off last years GRC & District 18 Championship team.

Junior first baseman Maria Schomer was named All-Conf. honorable-mention last season and should again be one of the teams leading hitters. Michelle Gunther and Kelly Happke (both seniors) will give the Pioneers needed experience in the in-field and Senior Faye Dehler will return to handle the catching duties.

If the girls can come up with a pitcher they should once again be a real force in both the conference and district.

Mr. Gary Dahl will be the Assistant coach this year, in his first year on the staff.

COACHES SPORT OUTSTANDING RECORDS

FRONT: Rick Sczublewski, Rey Zimney, Rollen Oliver, Dave McChesney. **BACK:** Karla Reimer Jensen, Leo Pohlkamp, Steve Dooley, Mark Schulte, Mark Sederquist, John Hellie, Jon Swensen, Linda Myhre, Kim Timlin.

Steven Dooley, in his 10 years at Pierz, has held a variety of coaching positions including assistant baseball, assistant football, assistant girls basketball and head junior high football. He is currently the Head Football and Girls Basketball coach.

In 3 years of football, his teams are 19-11 with two GRC Titles and one State Play-off Game. His basketball teams' record over six years is 107-21 with 4 GRC and 3 District 18 titles. Two of his teams have reached the Region finals.

Coach Dooley has been named District GBB Coach-of-the-Year twice and has also been honored as GRC football C-of-the-Y in FB. Mr. Dooley is very proud of the many athletes he has coached that have gone on to continue participation in college athletics.

One of the Deans of coaching at Pierz in his 15th year as the Head Wrestling Coach is Al Doty. Coach Doty's record in dual meet competition is an outstanding 151-53-3. His teams have won five conference tournaments, finished third once, and were second every other year. Six individuals have advanced to State and he has had 85 tournament champions over the years. Mr. Doty feels that Pierz is fortunate to be in such a strong wrestling area with excellent competition in the District every year.

Head Baseball Coach John Hellie is also in his 15th year at Pierz. John was also head boys basketball coach for 12 years. John saw two of his BB players join the elite 1,000 Point Club — Clyde Athman & Bob Poepping — and his '72-'73 club won 11 straight games. In baseball John's teams have won 9 GRC and 3 District 18 Championships. His '76 team finished 15-1. Hellie has had many fine baseball players over the years — Duane Paulsen lost only one game during his H.S. pitching career and Clyde Athman was drafted by the Kansas City Royals out of High school.

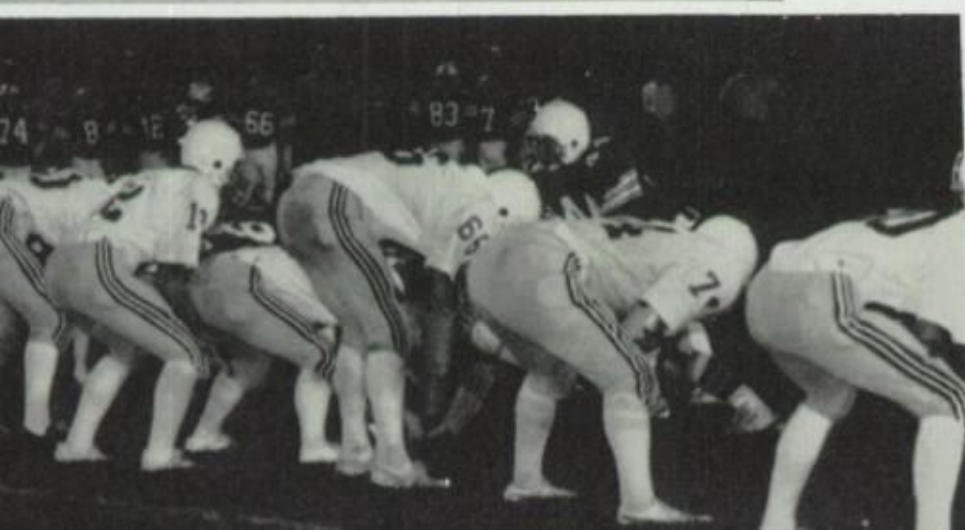

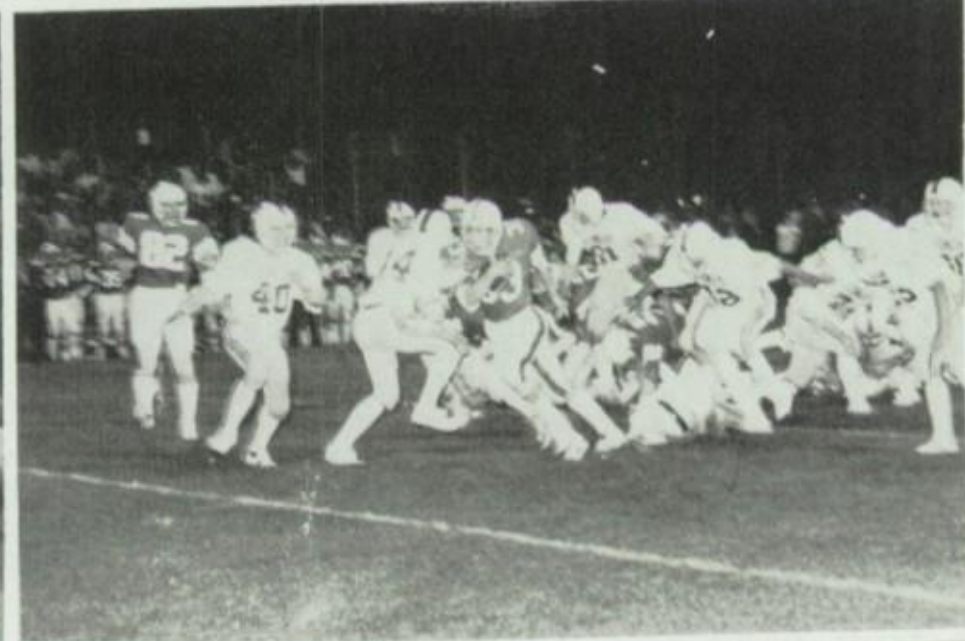

Karla Reimer Jensen has coached girls track for 6 years and her teams have won 4 Indoor and 4 Outdoor Conference Titles. Three of her athletes have earned trips to the State Meet and all three of them are on this years team.

In just his first year as Head Cross Country Coach, Rollen Oliver led his teams to a very successful season. Both the boys and girls were 2nd in the District and the girls finished 2nd in the Regions to qualify for State. The team placed 10th in the meet while Becky Girtz won All-State honors finishing 13th overall.

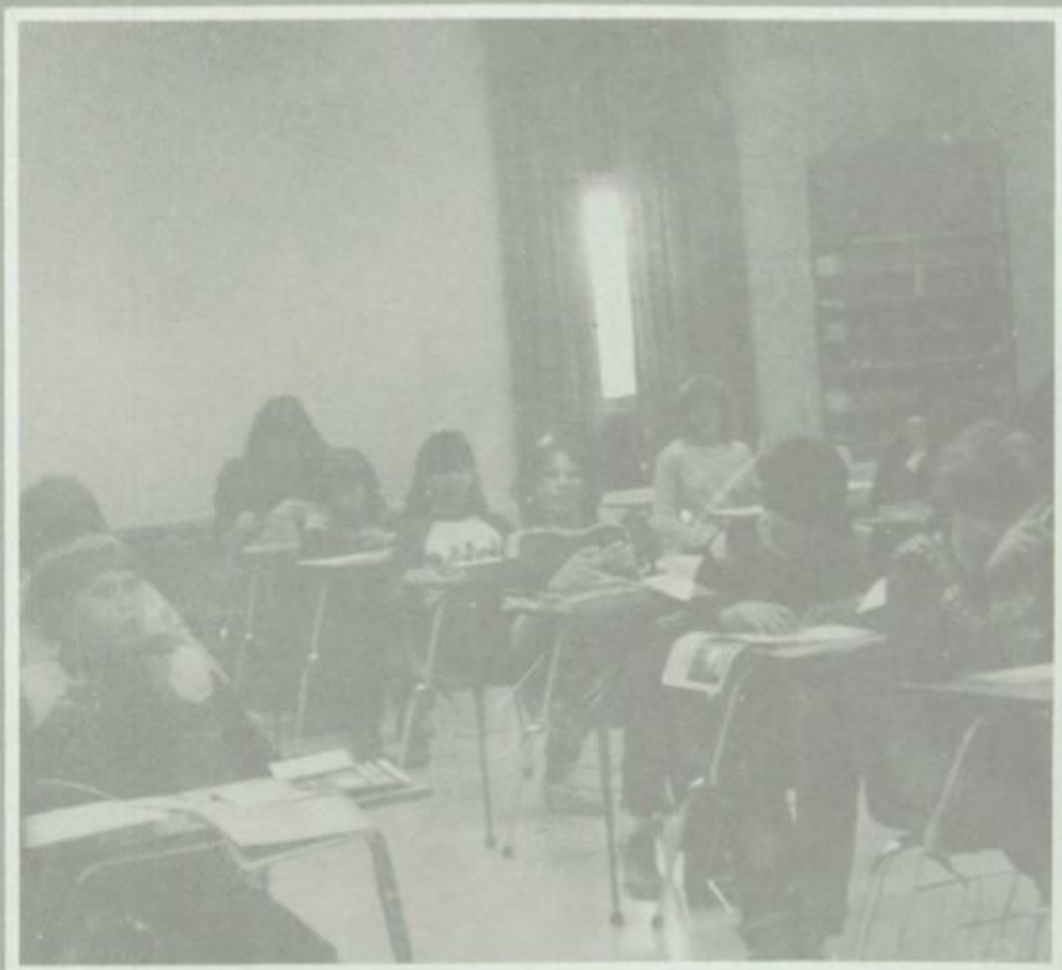

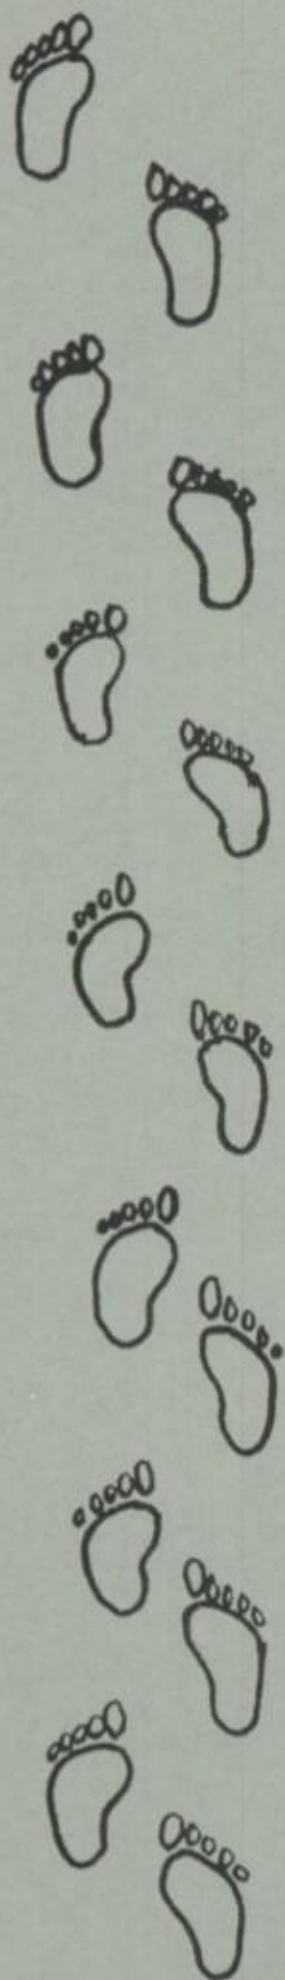

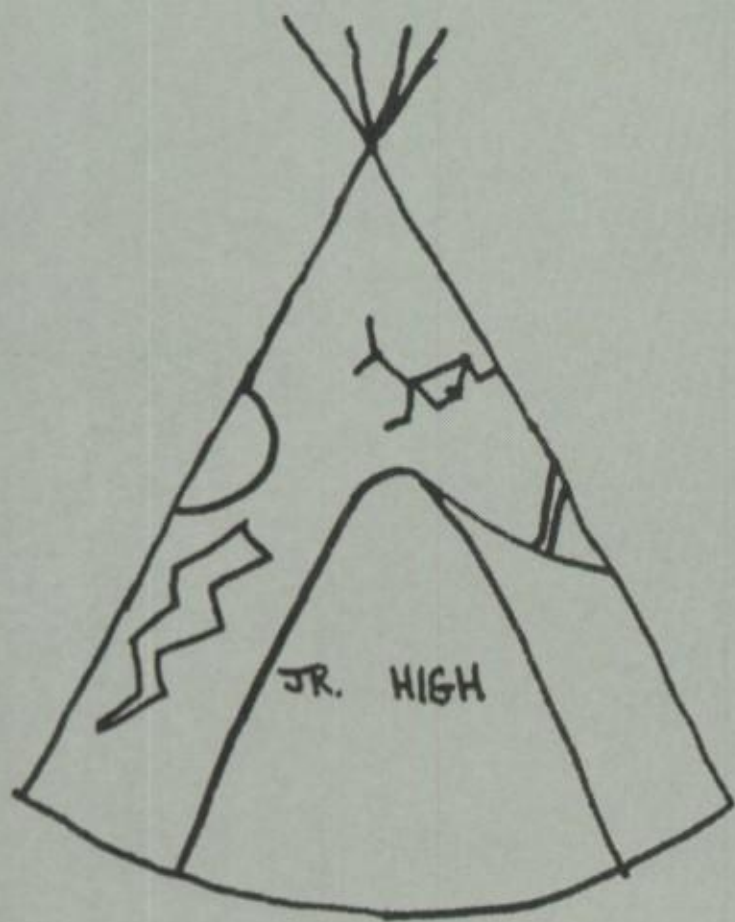

In his 15th year as Varsity Golf Coach Mark Schulte has coached many fine golfers. His teams have won 6 GRC titles and he has had 5 conference individual champions. Seven of his golfers have advanced into Region competition. Coach Schulte feels that Pierz is very fortunate to have the beautiful golf course available to the students and he has enjoyed seeing many of the athletes mature into fine young adults who still enjoy the "whole life game — golf."

"I enjoy coaching at Pierz because the individuals that I have come in contact with are very special people," stated Head Volleyball Coach Mary Tschida. Mary has been coaching at Pierz for 3 years and her VB teams have a fine overall record of 33-17.

Entering his 10th year at Pierz is Rey Zimney who has been the Head coach of 3 different sports. In 9 years of coaching Cross Country, Coach Zimney's teams won 6 GRC & District 18 Titles, one Region 5 Championship and 4 teams qualified for State. His '78 team finished 5th in State. He had 4 All-State runners in CC with Steve Faust placing second in State in '76 and John Perleberg becoming Pierz's first State Champion in '78. Zimney was Region CC Coach-of-the-Year 4 different seasons. In seven years of Boys Track coach his team won 2 GRC and 1 District title. He has coached 7 All-State performers in track. After two years of Boys Basketball his overall record is 18-22.

Boys CC Teams Win GRC Title

The Junior High Boys Cross Country team finished their season strong after a rather slow start due to inexperience. Highlighting their year was fine performances in the last two meets of the year, when they won the Conference and District meets at the Pierz Golf Course.

Coach Hoff said that his team came on the last two weeks and reached its peak at just the right time.

Both the seventh and eighth grade Volleyball teams finished the year with a win over St. Mary's of L. Falls. Coach Karla Jensen noted a marked improvement in the girls over the course of the season, especially in the fundamentals and serving. The attitude of the teams was also something that Coach Jensen was pleased with, as the girls kept their spirit high throughout the year whether they won or lost.
